March is National Credit Education Month What a great reminder to check up on your credit situation

Your credit score and report can effect many areas of your life from the interest rate you receive on loans, your ability to qualify for a mortgage or lease, employment opportunities, the amount you pay for automobile insurance and more.

BMI FCU makes it easy for you to learn the ins and outs of credit in the way that works best for you. [Read some articles](#) on building credit, [watch a two minute video](#) about the 5 elements of a credit report, or

[complete an online module](#) on credit scores and reports.

Looking for more detailed information? [Sign up for our free](#) Understand and Improve Your Credit Score community workshop on March 7 at our Dublin location or on September 17 at the Westerville Public Library.

Have a quick question about your specific credit situation? [Email a Certified Financial Coach.](#)

Your credit report is one indicator of financial health. Consider March as the month to learn more about your credit situation and what you need to know to maintain or improve your score.
