BMI Federal Credit Union Donated to the Alzheimer's Association

Columbus, Ohio (November 2024) – BMI Federal Credit Union is a proud sponsor of the Alzheimer's Association's "Walk to End Alzheimer's" which took place in Downtown Columbus. BMI FCU donated \$2,500 to the walk, which is held annually in more than 600 communities nationwide, and is the world's largest fundraiser for Alzheimer's care. This inspiring event calls on participants of all ages and abilities to join the fight against the disease. All funds raised through "Walk to End Alzheimer's" further the care, support, and research efforts of the Alzheimer's Association.

About the Alzheimer's Association

The Alzheimer's Association is the leading voluntary health organization in Alzheimer's care, support, and research. Founded in 1980 by a group of family caregivers and individuals interested in research, the Association includes their home office in Chicago, a public policy office in Washington, D.C., and a presence in communities across the country.

An estimated 50 million people worldwide are living with dementia. In the United States alone, more than 6 million have Alzheimer's, and over 11 million are providing unpaid care. The Association addresses this crisis by providing education and support to the millions who face dementia every day, while advancing critical research toward methods of treatment, prevention and, ultimately, a cure.
