## Keeping Your Contact Information Current

You may not think of your Credit Union when moving or changing jobs but those life changes may also mean getting new phone numbers or email addresses. Keeping that information current helps protect you and your accounts from fraud. Please help us by verifying the contact information we have is current. Review and update your personal contact information in Online Banking, call us at 614.707.4000, or update it the next time your stop by a branch.

Remember, we may text, call or email you if we have a question about a recent purchase but we will NEVER ask you for your visa card number, online banking credentials, social security number, or your account number. Visit our [Identity Theft & Fraud Resources](#) page to learn more.
