BMI Federal Credit Union Donated to CAP4Kids

Columbus, Ohio (December 2023) – BMI Federal Credit Union made a monetary donation to CAP4Kids in the amount of \$448. Donations are used to help bridge the gap between the many quality social service agencies in the community and the families that need their help the most. To bridge this gap, CAP4Kids aims to empower and inform those that care for children as well as offer a wide variety of resources such as After School Programs, Early Intervention, Counseling, Housing, and much more!

About CAP4Kids

In 2010, Children’s Practicing Pediatricians (CPP) teamed up with Nationwide Children’s Hospital to bring the CAP4Kids website to Columbus. CAP4Kids represents a joint effort between community physicians, hospital physicians and the social work department at Nationwide Children’s Hospital. They have a team of physicians, social workers and administrators who are strongly dedicated to children’s advocacy. CAP4Kids is part of a national project that started in Philadelphia in 2004. The CAP4kids Website lists community resources. Parent handouts are the backbone of this project. Within each handout, one will find a helpful description of organizations, addresses, phone numbers and website links to various services.
