BMI Federal Credit Union Donated to Franklin County Children Services

BMI FCU is a proud supporter of the Franklin County Children Services and their mission. This year BMI Federal Credit Union donated \$680 to their “Children’s Fund”. The “Children’s Fund” is comprised of several unique funds that help thousands of children receive birthday and holiday gifts, attend summer camps, participate in sports, pay for college, and so much more.

About Franklin County Children Services

Franklin County Children Services collaborates with families and their community to advocate for the safety, permanency, and well-being of all children they serve in a manner that honors family and culture.

They provide protection and care for more than 30,000 children annually who are abused, neglected, or dependent. The agency believes in the importance of family and strives to keep the entire family involved in solving the problems that brought them to Franklin County Children Services. The goal is to keep children safely in their home and provide services to families that may prevent the need for opening cases and out-of-home placements.
